

# JUNGLE ISLAND

## WE BRING THE JUNGLE TO YOU

The outreach programs at Jungle Island are Florida State Standard aligned, interactive, and educational presentations. Whether your group is studying a specific topic or just seeking to learn more about wildlife and the environment, the Jungle Island Outreach Program will fit your needs.

### FEATURING 6 DIFFERENT EDUCATIONAL PRESENTATIONS INCLUDING UNIQUE THEMES AND EXOTIC ANIMALS

#### RAINFOREST TREK

Wander through the four layers of the Rainforest while learning about the diverse creatures that can be found within each unique habitat.

*(Max. 60 participants)  
(All grade levels)*

#### EVERGLADES EXPLORATION

Discover a variety of wildlife that can be found in your own backyard, the Everglades!

*(Max. 60 participants)  
(All grade levels)*

#### ANIMAL SURVIVORS

In the wild there is one rule: STAY ALIVE! Learn how animals from around the world survive.

*(Max. 60 participants)  
(All grade levels)*

#### PAINTING WITH PARROTS

Art enthusiasts get to create their own canvas master pieces inspired by a collection of birds from around the world.

*(Max. 35 participants)  
(All grade levels)*

#### STEM: SOLAR POWER IS ALL AROUND US

In this hands on lab students will learn how the sun's energy can be converted into around us electricity as they work with solar powered crickets.

*(Max. 35 participants)  
(Lower elementary)*

#### STEM: ANIMAL ENGINEERING

Young engineers will learn how nature inspires mechanics and then try their hand in building their own creations.

*(Max. 35 participants)  
(Upper elementary - middle school)*
